THE ICAPCD BULLETIN

Official Newsletter of Imperial County Air Pollution Control District

“AJ” IS INTRODUCED AS OFFICIAL MASCOT

In a groundbreaking move towards environmental awareness, Imperial County APCD proudly unveiled its newest ally in the fight for cleaner air: Air Justice (AJ). Developed by the Imperial Air Pollution Control District (ICAPCD), this mascot will embody the ICAPCD’s commitment to combat air pollution and foster a healthier community. "As stewards of our environment, it's imperative that we engage our community in the crucial mission of air quality preservation," said Belen Lopez, Air Pollution Control Officer. AJ represents our dedication to empower individuals to take action, promote sustainable practices, and ensuring a brighter, cleaner future for generations to come."

AJ’s cape changes colors depending on the Air Quality Index...
 If AJ’s Cape is green or yellow, it’s safe to play outside!

AJ carries an asthma inhaler with him at all times to prevent asthma attacks...
 Preparation and action during bad air quality events prevents damage to your respiratory system!
